## APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed          cubic feet per second.

Actual construction work shall begin on or before         

Proof of commencement of work shall be filed before         

Work must be prosecuted with reasonable diligence and be completed on or before         

Proof of completion of work shall be filed before         

Application of water to beneficial use shall be made on or before         

         Proof of the application of water to beneficial use must be filed with State Engineer on or before         

WITNESS MY HAND AND SEAL this          day

of         

J. B. Scruggs  
4/12/21  
State Engineer.
